NET RATE PER MONTH

Customer Charge

* $17.00

Energy Delivery Charge

* 8.784¢ per KWH for all KWH used each month.

MINIMUM BILL

The minimum bill shall be the net monthly customer charge.

TERMS OF PAYMENT

Accounts not paid within 21 days of the date of the postmark of the bill shall be considered delinquent.

TERMS AND CONDITIONS

(1) Service will be furnished under Company's Standard Rules, Regulations and conditions of Service and the following further conditions.

(2) Service will not be furnished for heating units totaling in excess of 6 kilowatts operated by a single control.

(3)The Company shall be consulted before installation and/or building construction is started. The Company recommends that the installation be made in accordance with approved electric heating standards for best electric heating results. Company may require inspection of the electric heating installation by its representatives to determine that the installation conforms with their requirements, but the Company will accept no responsibility for the design or installation of such equipment nor for the proper functioning of such equipment following installation.

FUEL CLAUSE

The charge per kilowatt hour (KWH) shall be adjusted upward or downward by an amount per KWH as computed by the procedure of Rider B. Except as specified above, all other provisions of the rate shall apply.
