Applies to Mt Carmel Service Area

COMMERCIAL ELECTRIC DELIVERY SERVICE

AVAILABILITY

Available to any Commercial Customer for delivery of electric power and energy for commercial lighting or commercial power or both, regardless of whether the Customer purchases electric power and energy from the Company or another supplier. Service under this rate shall be for a single premise only and shall be measured through one meter unless, at the option of the Company, more than one meter is considered necessary, in which case the readings of such meters will be combined for billing purposes. For purposes of Delivery Service in situations where the Customer purchases power and energy from a supplier other than the Company, no distinction is made between general service and space heat customers, and this tariff will apply to both general service and space heat customers who choose to purchase energy from another supplier.
